

Consumer Environmental Impact Calculator

User Input	
How many paper <u>statements</u> do you receive each month?	<input type="text"/>
How many paper <u>bills</u> do you receive each month?	<input type="text"/>
How many paper <u>payments</u> do you make each month?	<input type="text"/>

By switching to electronic bills, statements, and payments, you can conserve the following resources in 1 year:	
Paper	pounds of paper saved
Greenhouse Gases	pounds of greenhouse gases avoided
	This amount of greenhouse gas is the equivalent of:
	miles not driven in your car
	trees planted (and grown for 10 years)
	square feet of forest preserved from deforestation
Water	gallons of wastewater prevented from discharging into lakes, streams and rivers
Gasoline	gallons of gas saved by not mailing your bills, statements, and payments
