Mercantile Bank® | Eastern Michigan Bank®

Eastern Michigan banks here.™

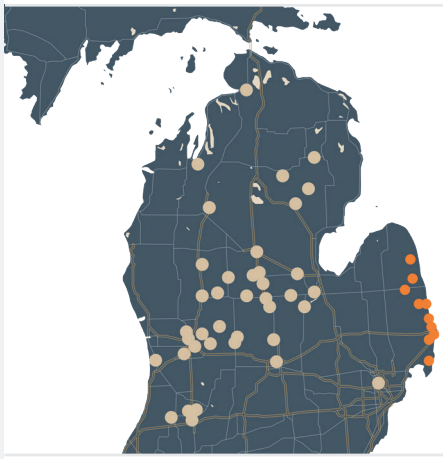

Let's grow together.

As we grow together, you'll find:

- **More products, business services, and mortgage lending options.**
- **Enhanced digital tools and free in-branch Wi-Fi.**
- **More Michigan locations and ATMs.**
- **Expanded digital communication and fraud support.**
- **Local bankers & local decisions.**

Eastern Michigan Bank is joining Mercantile Bank to build on what our customers already value, strong local relationships, personal service, and community focused banking. We're happy to share that this also expands the products, resources, and tools available to support your financial goals. Together, we'll serve customers through more than 50 locations across Michigan, remaining proudly Michigan based and locally led.

Founded in 1997, Mercantile Bank was built by entrepreneurs and has a long history of partnering closely with the individuals, businesses, and organizations with that same spirit. With more than 75 financial products and services, including solutions for personal banking, as well as businesses, nonprofits, government entities, and schools, this partnership brings you additional depth, innovation, and long term strength. It also keeps the people, decision making, and community commitment you know and trust firmly in place.

Community Hearted. Professionally Excellent.

Meet Earnie!

Earnie is our friendly Michigan river guide and Merc team mascot! Raised along the waterways that connect our state, Earnie believes in planning ahead, caring for community, and doing things the right way. Keep an eye out, you may see Earnie popping up at lakes, rivers, and community events near you!
